**U.S.A. vs. Thomas Lee Bradley**

**Docket No. 5:08-CR-375-1BR**

**Petition for Action on Supervised Release**

COMES NOW Maurice J. Foy, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Thomas Lee Bradley, who, upon an earlier plea of guilty to Felon in Possession of a Firearm, 18 U.S.C. § 922(g)(1) and 924, was sentenced by the Honorable W. Earl Britt, Senior U.S. District Judge, on April 6, 2009, to the custody of the Bureau of Prisons for a term of 27 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall participate in a program of mental health treatment, as directed by the probation office.
3. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
4. While under supervision in the Eastern District of NC, the defendant shall participate in the DROPS Program and, in response to detected illegal drug use, shall be confined in the custody of the Bureau of Prisons for a period not to exceed 30 days of intermittent confinement, as arranged by the probation office, in the following increments: First Use - Two Days; Second Use - Five Days; Third Use - Ten Days.
5. The defendant shall cooperate in the collection of DNA as directed by the probation officer.

Thomas Lee Bradley was released from custody on April 19, 2011, at which time the term of supervised release commenced.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

On August 13, 2013, the defendant tested positive for oxymorphone. When confronted, he admitted to taking pain medication which was actually prescribed for his cousin. Mr. Bradley was shot in the lower abdomen in October 2012, and as a result, the defendant reports that he is still dealing with chronic pain. He was informed that his decision to take another person's pain medication was unacceptable and was instructed to go back to the doctor to address his ongoing pain. As a result of his poor decision, the probation office is recommending that he be allowed to participate in a cognitive behavioral program. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. The defendant shall participate in a cognitive behavioral program as directed by the probation office.

Except as herein modified, the judgment shall remain in full force and effect.
